Welcome to the world of BIGHORN, a private golf club community nestled at the base of the Santa Rosa Mountains in beautiful Palm Desert, California. BIGHORN's lush greens and fairways meet jagged peaks and dazzling native vegetation in a remarkable synergy of ecology, aesthetics and recreational opportunities. Its magnificent landscape contains two championship golf courses, luxurious clubhouse, spa and salon, tennis courts, swimming pools and a limited number of custom homes and homesites.

The desert's most prestigious address contains some of the most dramatic homes in the world, each capturing the artistic sensibilities of the

owners who occupy them, as well as the spirit of the surrounding desert. BIGHORN's architectural guidelines allow an infinite variety of individual expression, while ensuring that your neighbors' homes will be built to the same exacting standards for aesthetics and harmony within the environment as your own.

Our cover home for this issue is 924 Andreas Canyon. This stellar residence sits on an elevated home site overlooking the 4th hole and lake of the Canyons course. Over 6,000 square feet of opulent living occupy this Tuscan masterpiece, complete with European old world charm.

This home boasts five bedrooms, plus a lavish office making it easy to stay in touch from home. The kitchen features a handcrafted copper

hood and European-honed limestone countertops. The master suite showcases a stone fireplace with sitting area and French doors that open to a private terrace with spa access. 14-foot ceilings occupy the Master bath, complete with clerestory windows, skylight, his and hers walk in closets, black granite shower and whirlpool tub.

A media center with large screened television plus two smaller televisions and surround sound create the perfect setting for group entertainment. A step down granite wet-bar with pass through to the patio

makes it easy to enjoy the desert's spectacular outdoor living. The multi-tiered patio with covered veranda creates the perfect atmosphere for relaxing to the soothing sounds of a nearby waterfall. An outdoor dining center with gourmet gas barbecue grill overlooks the infinity edged pool, spa and intimate fire pit. Astonishing lake, golf course and down-valley vistas complete this remarkable home.

BIGHORN offers a wide array of residential opportunities sure to fit your needs. Homesites, starting at \$750,000 and residences, starting at \$1,395,000, are thoughtfully located to provide extraordinary vistas capturing the perfect desert view, while preserving the privacy and serenity inherent to the BIGHORN lifestyle.

The majesty of BIGHORN is extraordinary golf! The best in the world have graced BIGHORN's fairways in eight major golf tournaments over the last 11 years. Two brilliant, yet very diverse designs allow for a unique experience each time you play. The legendary appeal of the Mountains course lies in both its creative Arthur Hills design and its striking location. The course claimed international recognition as the site of The Skins Game from 1992 to 1995 and the 1998 inaugural Senior Match Play Challenge. In 1998, the Canyons course opened, bringing an additional 18 holes to BIGHORN. Designed by Tom Fazio, the Canyons was an instant success, inviting players of every skill level. Home to the Battle at BIGHORN, 2000-2002, the Canyons course has seen players such as Tiger Woods, Jack

Nicklaus, Lee Trevino, Sergio Garcia, David Duval, Annika Sorenstam, and Karrie Webb.

The 13,000 square foot European Spa and Salon brings the art of pampering to new heights. A wide array of therapeutic offerings are available for the exclusive enjoyment by BIGHORN members and their guests. These include hot stone massage, detoxifying herbal wraps, rejuvenating facials, Vichy showers and hydrotherapy baths, along with a full service hair and nail care salon. Personal trainers are on hand to meet your fitness fantasies in the state-of-the-art Fitness Center, Aerobics and Pilates Studios.

One of the perks of living at such a renowned club as BIGHORN is the level of luxury services provided to resident members. The latest of which is members' enjoyment of the convenience of private jet service when traveling to and from BIGHORN. Just another way BIGHORN stands apart from other clubs worldwide.

BIGHORN means the serenity of a private golf course community one-thousand feet above the valley floor; the astounding natural beauty of the desert everywhere you look; the dramatic architecture of your own home; the world class recreational facilities.... all just minutes from the sophistication and convenience of the heart of Palm Desert. To further explore the wonders of BIGHORN, tune into the Majesty of BIGHORN, every Thursday and Friday evening, channel 7, 8:30 p.m. in the Coachella Valley, or contact BIGHORN Properties at (800) 551-5578 to schedule your private tour.
